With a chance to win a cash prize in December

This building, and its car park, is owned by a charity called The Denby Dale Community Project. Every year we have to pay the running costs to keep it open and pay for any repairs and improvements. Kirkwood Hospice pay us rent for their share of the building, but **we still need to raise at least £4,000 a year to keep the library, and this community space and car park, in our village.**

We need the continuing support of the local community if our library is to be sustainable.

The DDCP Supporters Club is one of our main fund-raising schemes; it already raises over £1500 each year. By joining the club you have a chance of winning a cash prize in our annual draw. Each year we give one third of the income to three lucky winners; the other two thirds of income goes towards the running costs of the building and car park.

How does it work? Supporters take out one or more shares in the club at a cost of £12 per year (£1 per month) per share. Each share is allocated a number and entered into the annual draw. Results are posted on our website and inside the community library building.
